# You can set up unlimited number of evoko overview screens

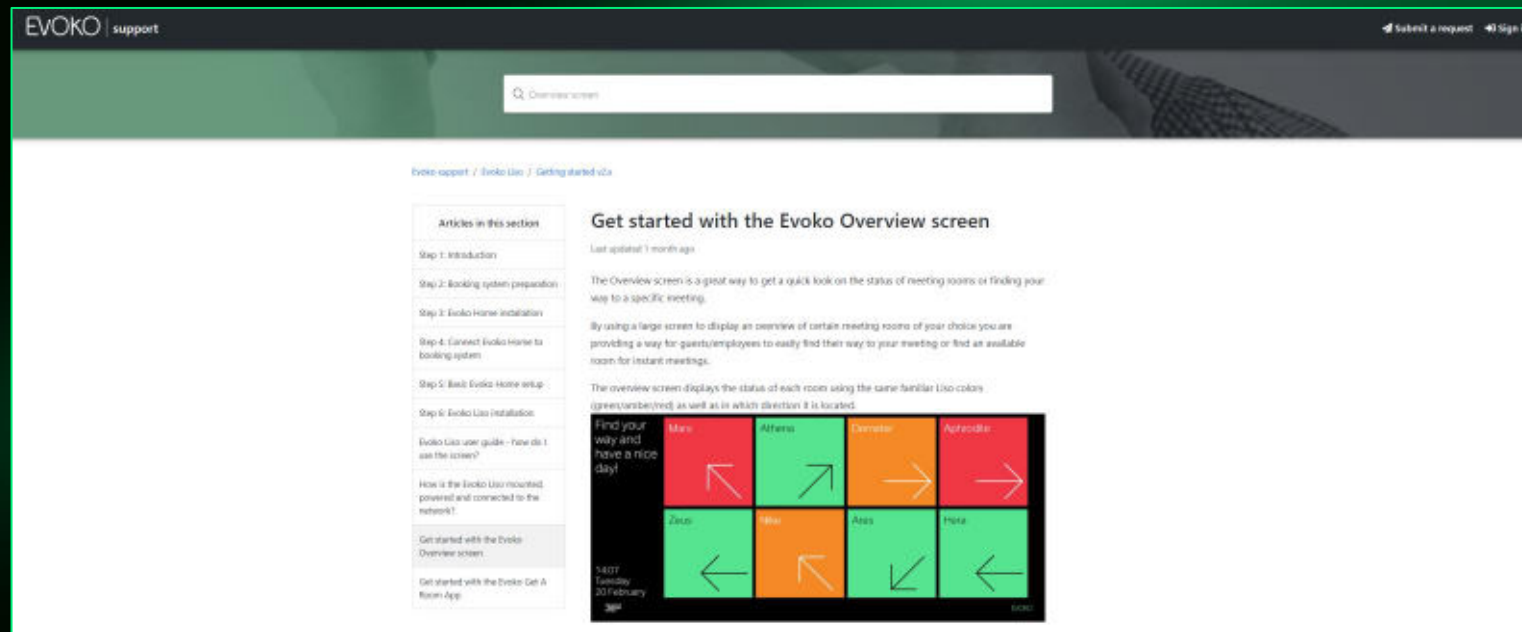

A great way to get a quick status of your meeting rooms or finding your way to a specific meeting

- Configure your overview screen:
  - Screen orientation (portrait/landscape)
  - Rooms/Building/Floor to show
  - Select number of rows/columns to display
  - Greeting message
  - Select if you want a directional arrow pointing to each room, from where the overview screen will be physically located
- Add company logo in the left bottom section of the overview screen

# Set up "evoko overview screen" in no time

# EVOKO BOOKING

# Evoko booking is a stand-alone booking system for liso room manager

## Perfect for co-working spaces and multi-tenant environments

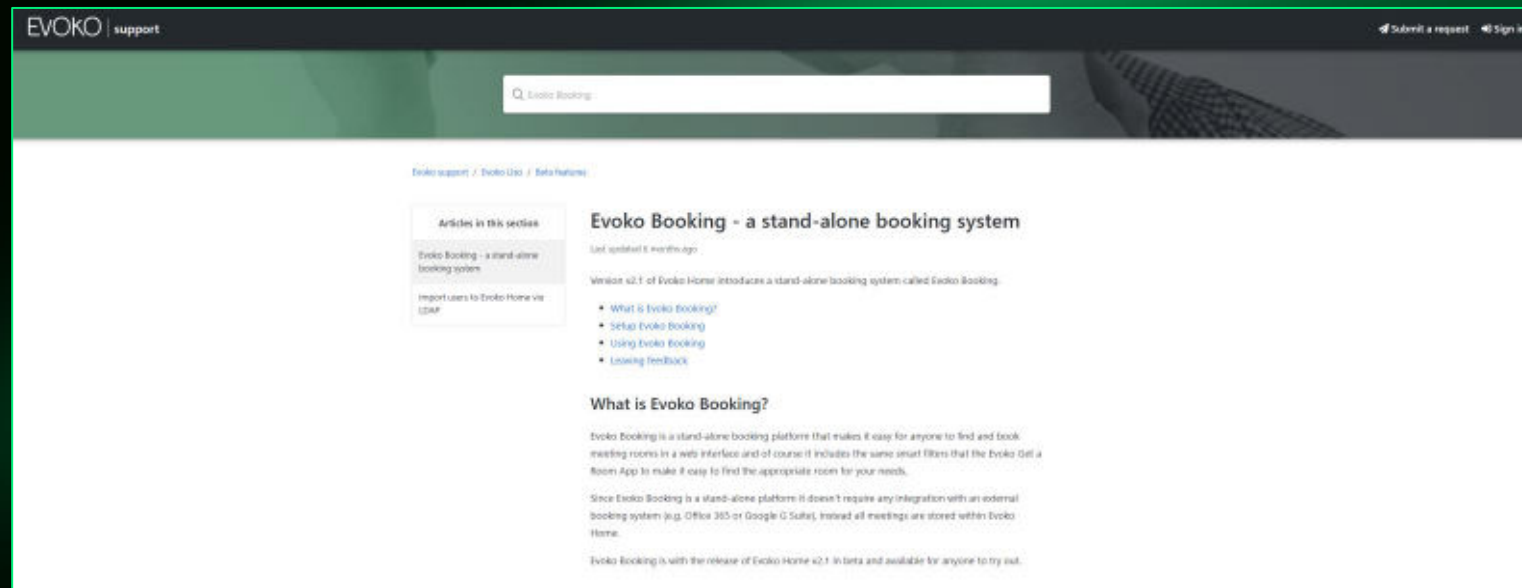

- Evoko booking is a stand-alone booking platform that doesn't require integration with an external booking system (e.g. Office 365 or Google G Suite)
  - It can be on top of your existing booking system.
- Evoko booking makes it easy for anyone to find and book meeting rooms in a web interface, with the same smart filters as “get a room” app to find a room that fits your needs:
  - Availability
  - Location
  - Equipment
  - Room size# of participants
- Bookings are made directly in a web browser and stored in evoko home
- Evoko booking is available for anyone to try out!
