

Swivel TV wall mount up to 50 kg

TV wall mount

This high-quality swivel wall mount is stylish and absolutely contemporary. The elegant steel construction provides an urban look and has an industrial look. The CAVUS WMV8050 TV wall mount is ideal for mounting monitors with 26 - 65 inches and a max. weight of 50 kg. Due to the swivel and tilt function, the TV mount can be flexibly adjusted to different positions.

- Especially for larger and heavier TV sets up to 65 inches and max. 50 kg
- 180° rotatable (depending on TV size)
- Easy mounting
- Fixing material is included in the scope of delivery
- VESA mount
