Viewmaster VESA 200 x 100 adapter - option 043

Monitors sometimes have a larger VESA mount than supported by most monitor arms. This adapter mounts any product with a VESA 200 x 100 MIS-E mount onto a VESA 100 x 100 MIS-D mount.

- Suitable for any monitor arm with VESA MIS-D 100 x 100 mm
- For larger monitors with VESA 200 x 100 mm
- Only 2 mm thick
- Comes with all necessary fasteners
- Always consider the max. monitor size and weight supported by your monitor arm
