

Ergotron®

Neo-Flex® Lift Stands

Highlights

- Position LCD screens for maximum ergonomic comfort—promotes wellness in any work area
- Small footprint frees up your workspace and increases your efficiency
- Integrated base rollers enable 360° rotation of the stand so you can share your views with others
- Embedded with patented motion technology, this stand enables light touch adjustments without any knobs or levers
- Five-inch (13 cm) height adjustment ergonomically accommodates average range of users
- Easy to use—simple installation and effortless operation
- Everything is included to neatly route cables behind the stand, out of the way

Combo Lift Stand

Simply combine your notebook with an LCD display and separate keyboard and mouse to create a productive dual-display configuration. Save time by viewing multiple applications at once—eliminate toggling back and forth on a single screen. With this stand's height adjustment, tilt and rotation, you'll get desktop computing comfort combined with the portability of a laptop.

Dual LCD Lift Stand

Affordable, height-adjustable dual-monitor stand for maximum productivity and comfort. Save time by using multiple applications at once—eliminate toggling back and forth between documents and programs. Simultaneously lift LCD screens to proper height for unsurpassed ergonomic comfort.

Widescreen Lift Stand

Upgrade your widescreen display with five-inch (13 cm) height adjustment, tilt, pan, and portrait-to-landscape rotation for optimum viewing. Embedded with patented motion technology, this stand enables light-touch adjustments without any knobs or levers.

Patented Constant Force (CF) lift-and-pivot motion technology—no levers or buttons
 Five-inch (13 cm) height adjustment ergonomically accommodates average range of users
 Portrait to landscape screen rotation
 Pans 360° side-to-side at base
 VESA® compliant
 Three-year warranty

Neo-Flex Combo Lift Stand — 33-331-085 black

- Meets tip test requirements of UL Specification 1678
