

Highlights

- Support workflow needs with sturdy worksurface: 22.75"W x 10.6"D (57,8 x 26,9 cm)
- Handle-contact surfaces areas and Wrist Rest are treated with Agion® Antimicrobial for product protection (for worksurface models only)
- Flexible, open-architecture design is scalable for future computer equipment
- Comfortable, ergonomic data entry—work sitting or standing with 20" (51 cm) single-motion lift adjustment
- Five-inch (13 cm) independent LCD height adjustment ergonomically accommodates average range of users
- Easy-to-clean features promote superior infection control
- Barcode scanner holder provides easy access to hand-held scanner
- Extend LCD and keyboard up to 43" (109 cm) from wall; fold equipment back out of the way when not in use.
- Ergonomic back-tilt keyboard tray ensures wrists remain in a neutral position during data entry; keyboard tray pulls out when needed and stows inside worksurface
- Maintains the relative position of screen and keyboard throughout full range of motion
- Clean, concealed and neat routing of cables through the expansive cable management system
- Complies with all international environmental regulations related to its design, manufacture and packaging. Read more about our Environmentally Responsible Process on our website

Ergotron®

StyleView® Sit-Stand Combo Arm

Worksurface with pull-out keyboard tray facilitates caregiver workflow

The SV Sit-Stand Combo Arm holds a monitor, bar-code scanner, keyboard, wrist rest and mouse on the same arm, providing easy, single-motion height adjustment.

Arm extends and retracts; fold back out of the way when not in use. Work sitting or standing with the arm's ergonomic 25" (64 cm) LCD height adjustment range. A unique cable management system conceals and organizes cords, making cleaning easy.

- ① Patented CF lift-and-pivot motion technology provides premium 25" (63,5 cm) LCD height adjustment, portrait-to-landscape rotation and 30° tilt
- ② Durable, easy-to-clean exterior composed of aluminum, high-grade plastic
- ③ Integrated mouse and barcode scanner holder provide easy access
- ④ Fold-down worksurface/keyboard tray to support workflow needs.
Worksurface is 22.75"W x 10.6" D (57,8 x 26,9 cm).
Keyboard tray is 18.6"W x 9"D (47,2 x 22,8 cm)
- ⑤ Back-tilt keyboard tray adjustable 0 to -10 degrees
- ⑥ Clean, concealed and neat routing of cables through the expansive cable management system
- ⑦ Extend LCD and keyboard up to 43" (109 cm) from wall; fold equipment back out of the way when not in use. With worksurface in storage position, system depth is as little as 8" (20,3 cm). With keyboard in storage position, system depth is as little as 12" (30,5 cm)
- ⑧ Optional Extender Arm (45-261-026) increases range of motion for even greater reach. Includes an optional 180° rotation stop for controlling the range of motion in space constrained areas

LCD Size	Weight Capacity*	Lift**	Tilt	Pan	Rotation	VESA
≤ 24"	≤ 6-18 lbs 2,7-8,2 kg	25" 63,5 cm	30° ↑ 25°/↓ 5°	360°	90° P/L	MIS-D

*Weight Capacity: display = 6-18 lbs (2,7-8,2 kg); keyboard, mouse and barcode scanner = 4 lbs (1,8 kg) and up to 10 lbs (4,5 kg) on worksurface

**Lift Range: LCD and keyboard adjust 20" (51 cm) in tandem with single-motion; LCD adjusts 5" (13 cm) independently; maximum LCD height adjustment = 25" (63,5 cm)

Product Name	StyleView Sit Stand Combo Arm, with Worksurface
Part Numbers	45-260-026 polished aluminum
Product Includes	Combo Arm with worksurface, wall mount bracket, track mount bracket kit, height-adjustable LCD mount, wrist rest, scanner and mouse holder, worksurface with integrated keyboard tray, VESA monitor mounting kit, cable ties
Warranty	5 years
Compatible Display(s)	VESA FDMI, MIS-D, 75/100, C (hole patterns = 100 x 100 mm and 75 x 75 mm)

StyleView Sit Stand Combo Arm, with Worksurface
45-260-026 arm
45-270-026 arm, medium CPU holder and wall track
45-272-026 arm, small CPU holder and wall track

StyleView Sit Stand Combo Arm, without Worksurface
(available with black head-assembly only)
45-266-026 arm
45-271-026 arm, medium CPU holder and wall track
45-273-026 arm, small CPU holder and wall track

Extender Arm
45-261-026
