

WORKFIT™

by **ergotron**®

WorkFit-A **Sit-Stand Workstation**

Versatile fit

- Designed to accommodate a wide range of users with a 20" (51 cm) lift range
- Fits taller users with a keyboard tray that stays at desktop level when sitting

Personalized view

- Offers an extra 5" (13 cm) of independent monitor height adjustment

Quick collaboration

- Flexible arm design makes screen-sharing easy for group work

Stay organized

- Cable management controls the cable chaos for a neat workspace
- Installs on the rear or side of most surfaces with a sturdy desk clamp
- Includes 5-year warranty

SIT-STAND FOR WELLNESS AND PRODUCTIVITY!

Ideal for corner workstations, the WorkFit-A clamps to the rear or side of most surfaces and enables an effortless sit-and-stand work style.

Encourage healthy movement throughout the day—change from a sitting to a standing position whenever you want. This height-adjustable workstation moves your keyboard and display in one simple motion, making computing comfortable for prolonged periods.

BENEFITS

WorkFit-A Sit-Stand Workstation

- 1 Provides up to 20" (51 cm) of smooth vertical adjustment, which allows working in either a sitting or standing position. It also can accommodate the heights of multiple users who may use a single workstation.
- 2 The large, single-piece keyboard tray accommodates most keyboards and mousing devices. Its 3° upward tilt ensures wrists remain in a neutral position during data entry, preventing repetitive stress-injuries while increasing comfort and productivity. When not in use, it flips up 90° to save space.
- 3 Cable management clips on the underside of the arm route and hide wires. Cables can be further concealed through the system's post, exiting out the back near the base.
- 4 Ideal for corner workstations, the WorkFit-A clamps to the rear or side of most surfaces. Grommet mount available as optional accessory.
