## WIRELESS CHARGING POWERPAD

**MiniBatt PowerPAD** is a mouse pad that integrates an INVISIBLE wireless charger into the usual format for this type of accessory.

Designed to charge your mobile phone or any 5V electronic device comfortably while you are working anywhere with your computer. The new **miniBatt PowerPAD** is made with a black or brown leather-like finish.

Forget badly organised cables and enjoy wireless charging in the simplest way, without having to get up to put the phone on charge.

This product is compatible with Qi wireless charge devices. Qi is a trademark of WPC.
