

MonLines MDS007

Design Display Stele 32 inch THIN Premium

Description

The MonLines Design Display Stand MDS007 is equipped with a high quality 32 inch LG monitor. The integrated LG display impresses with a large-scale and brilliant presentation of all your advertising messages even under difficult lighting conditions. The modern upgrade-capable technology forms an attractive platform for professional target group-specific presentations.

The MonLines MDS007 Design Stele as an elegant premium version is a LG display equipped with a noble front glass pane. Ideally, the various MonLines steles can be used as advertising media for digital signage applications. Digital advertising aids support the effectiveness of large-scale images and video.
