

MonLines MDS012

Design Display Stele 70 inch THIN Premium

Description

The MonLines Design Display Stand MDS012 is equipped with a high quality 70 inch Sharp monitor. The integrated Sharp display impresses with a large-scale and brilliant presentation of all your advertising messages even under difficult lighting conditions. The modern upgrade-capable technology forms an attractive platform for professional target group-specific presentations.

The MonLines MDS012 Design Stele as an elegant premium version is a Sharp display equipped with a noble front glass pane. Ideally, the various MonLines steles can be used as advertising media for digital signage applications. Digital advertising aids support the effectiveness of large-scale images and video.
