MonLines MSH001 1m slatwall wall mount, silver

Description

The MonLines MSH001 Slatwall for wall mounting with a length of 1000mm offers a completely customisable workstation in the smallest space. A wide variety of monitor holders and accessories such as trays for documents, pens and desk utensils can be attached to the practical organisation wall / slatwall element.

With the SlatWall mounting brackets included in the scope of delivery, the organiser rail can be quickly and easily installed on the wall and thus keeps the desk completely free. This makes the MonLines Slatwall for the wall particularly suitable for modern co-working or desk sharing workplaces.
