

## Datasheet

# MonLines MTH001B monitor desk mount swiveling

## Description

This versatile MonLines monitor desk mount MTH001B is suitable for all screens up to 27 inches with a weight up to 8kg. The monitor mount offers the greatest possible flexibility through its pan, tilt and swivel functions. In addition, the swivel arm can be mounted on the column at the desired height and infinitely adjusted along the column.

As a special highlight, the MonLines MTH001B monitor mount offers a 360° rotation function, so that the screen can effortlessly be rotated from landscape to portrait and back using the Pivot function! The MonLines desk mount has a VESA standard of 75x75 and 100x100mm and is suitable for tables with a thickness of 10 to 88mm. Delivery includes table clamp and bolt-through fastening.
