

MonLines MTS012

Design PCAP Touch Display Stele 70 inch THIN Premium

Description

The MonLines Design Display Stele MTS012 is equipped with a high quality 70 inch Sharp monitor. The integrated Sharp touch display impresses with a large-scale and brilliant presentation of all your advertising messages even under difficult lighting conditions. The modern upgrade-capable technology forms an attractive platform for professional target group-specific presentations.

The MonLines MTS012 Stele with Sharp Touchmonitor responds to touch with your fingers and is not disturbed by other items. The 8mm tempered glass front lens offers a very fast response time. Ideally, the various MonLines steles can be used as advertising media for digital signage applications.
