

MonLines MWD022

Design Touch Wall Display 65 inch Premium landscape

Description

The MonLines digital wall display MWD022 gets in the slim design a high-quality 65 inch LG touchmonitor in landscape orientation as well as the entire technology, including your preferred computer. The integrated LG display impresses with a large-scale and brilliant presentation of all your advertising messages even under difficult lighting conditions.

The MonLines design wall display MWD022 has 6mm thick tempered safety glass with PCAP touch function mounted all over the front. Ideally, the various MonLines display wall mounts for digital signage applications can be used as an advertising medium. Digital advertising aids support the effectiveness of large-scale images and video.
