## TV wall mount with VESA for Samsung Frame 32

### Description

Paired with the MonLines VESA adapter V071 designed for the Samsung Frame 32 inch, this swivelling TV wall mount provides the ideal solution for seamlessly incorporating the sophisticated Samsung Frame into your living space. The dedicated VESA adapter ensures optimal support for the Frame 32, allowing it not only to be securely fixed to the wall but also to be tilted and swivelled for the perfect viewing angle. The wall mount's adaptable features enable you to enjoy the superior picture quality from any perspective. With integrated cable management, both the picture and your living area remain free from unsightly cable clutter. Offering a range of 52 - 500 mm from the wall and capable of supporting up to 50 kg, this TV wall mount delivers maximum flexibility and stability. Effortless installation, thanks to its user-friendly design, ensures your TV is swiftly and securely mounted. MonLines – For your individual & functional needs.
