

MonLines V008 VESA adapter 75x75 to 100x100mm for Samsung S24F356F

Description

The MonLines V008 VESA adapter extends the 75x75 mm VESA pattern of your Samsung S24F356F TV to a 100x100 mm pattern so that you can combine your flatscreen with any 100x100 mm VESA-capable monitor bracket.

Whether wall mounting, column mounting or monitor stand - your imagination has no limits! Simply screw the VESA adapter, specially designed for a S24F356F Samsung TV, onto the existing 75x75 mm tapped holes on the back of the TV and extend the VESA pattern to 100x100 mm.
