

## MonLines V027

### VESA adapter for Samsung SE390 series

#### Description

The MonLines Vesa Adapter Plate V027 for Samsung SE390 Series Monitors without VESA Bore is a unique design that allows Samsung SE390 displays that do not have the standard VESA mounting holes to connect to a monitor mount. Whether you choose a wall mount, table mount or stand, it's all up to you - never again tell you about missing VESA holes for mounting your screen.

Attention: There is no monitor bracket included, this must be ordered separately.
