

MonLines V079 VESA adapter for HP M24F, M27F

Description

With the MonLines VESA adapter for HP M24F and M27F your monitor can be easily attached to a VESA-compatible monitor mount. The adapter plate creates a VESA mount of 100x100 mm. Simply unscrew the stand of the monitor on the back and insert the V079 VESA adapter - the 24 inch / 27 inch monitor is VESA compatible.

The HP PC monitor can be attached to a monitor wall mount, a ceiling mount or a column, for example, with the help of the adapter. The MonLines VESA adapter V079 is made of robust steel with a high-quality powder coating and synthetic material.
