

MonLines V081

VESA adapter for Lenovo IdeaCentre AIO 3

Description

The Lenovo IdeaCentre AIO 3 monitors receive the standard VESA mount with the MonLines V081 VESA adapter of 100x100 mm. This makes the Lenovo IdeaCentre AIO 3 screen compatible with any 100x100 mm VESA-compatible monitor mount. Whether wall mount, column mount, monitor stand - There are no limits to your imagination!

Simply remove the pre-assembled stand and then screw the VESA adapter specially made for the Lenovo IdeaCentre AIO 3 monitors onto the existing threaded holes of the stand on the back of the screen and thus set the VESA mount 100x100mm.
