Installation instructions

MonLines V083
VESA adapter for HP Omen 27c

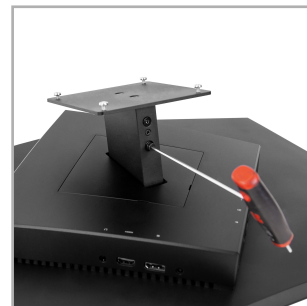

1. Loosen screws

Loosen the screws on the monitor stand.

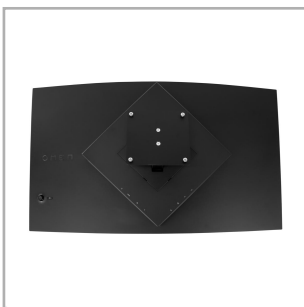

2. Remove stand

Pull out the stand and remove it. Save the screws.

3. Plug in the adapter

Insert the VESA adapter into the stand mount.

4. Screw on the adapter

Screw on the Vesa plate with the screws from the base.

5. VESA mount

Your TV has the Vesa standard 100x100mm and can be combined with a monitor mount.
