

## MonLines V094

### VESA adapter for HP M24h, M27h

### Description

The MonLines VESA Adapter for HP M24h and VESA Adapter for HP M27h make attaching your monitor to a VESA-compatible monitor mount effortless. The adapter plate creates a VESA mount of 100x100 mm for your large format screen. All you need to do is unscrew the stand on the back of the monitor and plug in the V094 Vesa adapter for HP monitors, and your 24-inch or 27-inch HP monitor becomes VESA-compatible. This gives you the option of mounting your Full HD PC monitor on a wall bracket, ceiling or column, for example. The MonLines VESA adapter V094 for HP M24h and HP M27h is made of durable steel and has a high-quality powder coating.
