

MonLines MSH004

Document holder accessory for Slatwall, white

Description

The MonLines MSH004 document folder for the Slatwall belongs to the MonLines MSH series and fits the Slatwalls MSH001 and MSH002. The folder holder is simply hooked into the slatwall and holds folders, catalogs or other papers upright. Thanks to the open shape, even larger catalogs can be safely stowed away and the document folder can hold up to 5 kg. Always keep your important documents to hand and give your workplace more space, order and structure with the slatwall and its accessories.
