

BEAMER-W100SILVER NEWSTAR PROJECTOR WALL MOUNT

The BEAMER-W100SILVER is a universal short throw projector wall mount.

The NewStar projector wall mount, model BEAMER-W100SILVER is a universal tilt-, swivel and/or rotatable wall mount for projectors up to 12 kilograms. This mount is a great choice for an optimal viewing experience. This versatile, ready to install mount, offers the convenience of installation to the wall without the need of additional accessories.

NewStars' unique tilt (90°), rotate and/or swivel (360°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the projector. The mount is depth adjustable from 73 to 123 centimetres. A unique cable management conceals and routes cables from wall to projector. Hide your cables to keep the installation nice and tidy.

NewStar BEAMER-W100SILVER has two pivot points and is suitable for most projectors. The weight capacity of this product is 12 kilograms. This universal wall mount is easy to install and suitable for projectors using the mounting holes on the bottom side of the projector. The legs included with this mount, cover most projector hole patterns.

Projector mounts are ideal for use in offices, schools, hospitals or at home.
