## ST670(P)

SMARTMOUNT®
Universal Tilt Wall Mount

FOR 46" TO 90" DISPLAYS

Peerless-AV's SmartMount® Universal Tilt Wall Mount delivers an ultra-slim profile designed to hold large displays up to 250lb. Installation and maintenance are made easy with the ST670's robust feature set. Auto-latching adaptor rails automatically secure the display without the use of a tool. The mount's built-in kickstand holds the display safely from the wall during cable routing, while the open wall plate allows for increased electrical and cable management options. Horizontal and vertical display adjustment allow for quick fine-tuning of the mounted display.

The ST670(P) reduces installation time and provides the most stable mounting solution for large interactive displays.

Display size **46"- 90"**	Max load **250lb (113kg)**

Additional Features

☑ Universal mount fits displays with mounting patterns up to 895 x 450mm (35.25" W x 17.72" H)

☑ Adjustable up to 15° of forward tilt and -5° of backward tilt for the optimal viewing angle

☑ Optional IncreLok™ feature offers fixed tilt angles of -5°, 0°, 5°, 10°, 15°

☑ Easy-Grip™ ratcheting handle locks the display into place

☑ Easy hang wall plate allows a bolt to be pre-installed to ease wall plate installation

☑ Lateral display adjustment up to 11.25" (286mm)

☑ 1" of post-installation vertical adjustment provides flexibility in the installation

☑ Includes fastener pack with all necessary mounting and display attachment hardware

For mounts requiring theft resistant hardware, installed with security tool (included), please purchase ST670

For mounts requiring standard hardware, installed with a Philips screwdriver, please purchase ST670P

RoHS
