

SMS FLATSCREEN X FH1 105/1455/1955

Quality that lasts.

A gracile floor stand that can support screens up to 100 kg.

The screen can be mounted on the stand in both a vertical and a horizontal position. Ingenious universal fittings ensure simple assembly, giving a safe support for the screen and the possibility to swivel it.

Electrical power sockets can be installed on the rear of the column, as an option. Shelves and cabinets, suitable for a DVD player, for example, are available as options.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.
