Designed to

A no nonsense platform for ergonomic work

Func Mobile is a stable and robust floor bracket perfect for large heavy displays and touch displays. Thanks to the stable and lockable wheels, it is easy to move the unit between rooms. The design includes a storage box for e.g. mini-PC, codec or laptop, easily accessed from the front. The box can be locked with a padlock (not included).

The display can also be locked with a padlock (not included) or the accompanying locking pin, which provides increased personal safety and protection from theft.
