

TabLines TBS062

Design tablet stand landscape, Apple iPad 9.7 (2018)

Description

The TabLines TBS062 design tablet stand in landscape orientation for the new Apple iPad 9.7 (2018) is a shapely iPad floor stand. Your Apple iPad is fully functional in the tablet mount. Optionally, a charging cable and/or power supply can be connected for a continuous charging process.

The TabLines design floor stand TBS062 is made of solid steel. The tablet stand has a white, semi-gloss front, made as a plastic coating. The back of the TabLines tablet design stele is black, powder coated and microstructured.
