

## TabLines TPK001

### Transport case for TBS Design up to 11 inch tablets

#### Description

The TabLines TPK001 transport box made of real wood is made to fit the TabLines TBS Design tablet stand in landscape format for tablets up to 11 inch. Thus, the wooden transport box is ideal for storing and transporting TBS tablet stands for tablets such as Apple iPad 10.9 (10th gen. 2022), iPad Pro 11.0 (4th gen. 2022), Samsung Galaxy Tab S9 11.0, Tab A 10.5 or others.

The 2-piece TPK001 transport case by TabLines is made of birch plywood and is fitted with custom foam in the interior, so that the tablet mount in the case is non-slip and protected against damage. The hinges are easy to open and the handles can be easily transported through the side handles.
