

## TabLines TPK003

### Transportbox for TBS Design 12.9 inch tablets

#### Description

The TabLines TPK003 transport box made of real wood is made to fit the TabLines TBS Design tablet stand in landscape format for 12.9 inch tablets. Thus, the wooden transport box is ideal for storing and transporting TBS tablet stands for tablets such as Apple iPad Pro 12.9 inch first or second generation.

The 2-piece TPK003 transport case by TabLines is made of birch plywood and is fitted with custom foam in the interior, so that the tablet mount in the case is non-slip and protected against damage. The hinges are easy to open and the handles can be easily transported through the side handles.
