

## TabLines TSG033 tablet case for Microsoft Surface Pro 4

### Description

TabLines has made an elegant and slim case made of high quality steel, which can be combined with various mounting options. The ultimate protective housing for your tablet is made of sturdy and refined steel or stainless steel. The functionality and all WLAN-based applications of your tablet remain unrestricted in the protective housing!

The TabLines TSG033 can be used as a Surface protective housing and Surface wall mount for the Microsoft Surface Pro 4 12.3 inch, the Homebutton remains hidden in this Surface Case. The steel tablet holder is theft-proof and has proven itself for public use. He also likes to be used with SmartHome solutions.

The TabLines TSG033 protective housing for the Microsoft Surface Pro 4 can be mounted directly to the wall or attached to any VESA-compatible TabLines holder using the 100x100mm VESA mounting holes.
