

TabLines TTH004B tablet desk mount / checkout stand up to 10.5 inch

Description

TabLines is an established German brand that manufactures high quality accessories for tablets, laptops and computers. The product range includes tablet cases, wall mounts and laptop locks as well as tablet floor stands and table stands. This universal tablet desk mount for screen sizes from 7.9 to 10.5 inches impresses with its security and mobility. The TTH004B is a premium tablet (security) desk stand with adjustable screen angle and full cable management. The POS tablet checkout stand is suitable for use in retail, restaurants, cafes, hotels and many other locations, especially in high traffic and high selling areas such as point of sale. It can be mounted on the counter / table surface in a few simple steps using a drill and screw assembly. The charging cable is routed inside the column so that the tablet stand presents a wireless overall picture. The tablet can be protected against unauthorised removal with the help of the enclosed lock. Alternatively, the holder can also be used as a tablet wall mount. TabLines - Innovative & individual inspirations by creative minds.
