

TabLines TWC002 swivel tablet wall mount Click, white

Description

With the TabLines TWC002 Click tablet wall mount for 7 to 12 inch tablets, you can easily mount almost any tablet on the wall and easily remove it when needed. The tablet holder is easily installed on the wall with just a few screws. The 7-12" tablet can simply be clamped in the extendable tablet mount and rotated 360° together with the universal tablet wall mount.

The swivel tablet wall mount can be swivelled 180°, tilted and rotated in 45° steps with the name-giving "click" by a total of 360°, so that you can conveniently use your tablet in portrait as well as in landscape format. With an optionally available USB power supply, the tablet wall holder can be used as a tablet charging station. You can also use the surface-mounted wall mount for SmartHome control.
