

## TabLines TWT001 Advertising board for TBS tablet stand

## **Description** \_

The advertising sign for tablet stands is ideal for use at trade fairs, conferences and workshops as well as at the point of sale. Customers / prospects who use the digital information source can be addressed with concise messages at the same time through the slim-design advertising space "floating" above the tablet. The sleek TWT001 tablet advertising board serves as a practical accessory for the TabLines TBS floor stand and is screwed onto the accompanying TSG tablet protective housing in just a few simple steps. The board is available in black, silver and white.

Please note: The article can only be used in combination with a TabLines TBS tablet floor stand as well as a TabLines TSG tablet protective housing (not included).
