

## TecLines TKD010

### Desk cable entry with seal brush

## Description

Practical cable organization on every desk: Thanks to the comfortable TecLines TKD010 cable entry 135x600 mm in aluminum, annoying cables are a thing of the past. The bushing for cables with a black brush seal can be inserted into any desk.

The soft close mechanism of the TecLines TKD010 enables the lid with the brush seal to be closed quietly and gently. Typical areas of application are office workplaces, clubs, sales counters to hide cables of the cash register system, meeting rooms and conference rooms as well as hotel receptions.
