

## TLH003 / TLH005 2x speaker stand for Sonos Era 100/300

### Description

TecLines presents the Sonos Era speaker stand as the ideal solution for users who would like to avoid drilling holes in the wall. The speaker pole in a pack of two is specially designed for the Sonos Era 100 / 300 WLAN speakers and, with a height of 72 cm, is at the perfect ear height for an outstanding sound experience. The slim, unobtrusive design in black or white integrates seamlessly into a variety of room designs. The built-in cable guide elegantly conceals the speaker cable out of sight. Installation is quick and easy thanks to the installation material supplied.
