

TecLines TLH speaker wall mount for Sonos Era 100 / 300

Description

With the Sonos Era wall mount, TecLines presents a clever mounting solution for the popular WLAN speakers: developed to optimize the listening experience while saving space in the room. The speaker wall mount in a pack of two is specially designed for the Sonos Era 100 / 300 models and can be flexibly mounted at any desired height. To enable ideal alignment at ear height, the speaker wall mount can be both tilted and swiveled. Installation is quick and easy thanks to the installation material supplied. With its discreet design, the mount blends harmoniously into a variety of interiors. Cables are elegantly concealed in the built-in cable guide.
