PFT 2520 DISPLAY TROLLEY 113-177

The new series of AV trolleys/stands are designed to provide maximum communication power or design integration. The trolley needs to be combined with the Connect-it interface bars and interface display strips. To create a complete video conferencing solution use the Vogel's camera/loudspeaker holders and loudspeakers.

Features

- Cable storage under the base cover
- Add: Connect-it display interface matching the used display
- Height adjustable
