

PFW 4500 Display wall mount fixed

Article number (SKU) 7045000
Colour Black

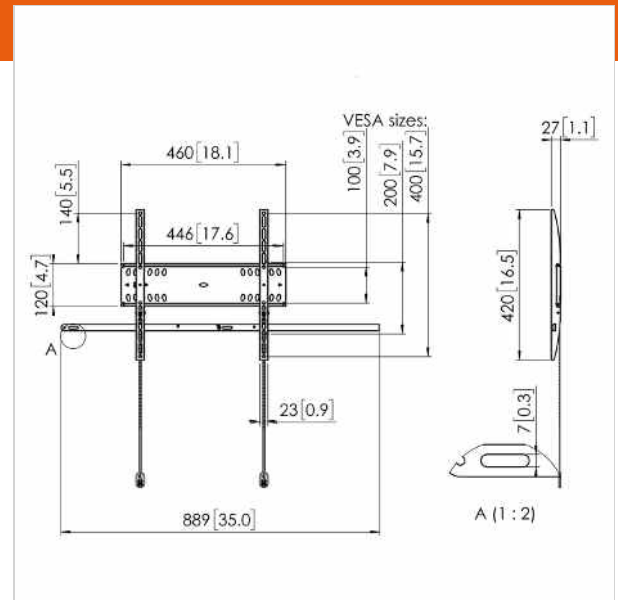

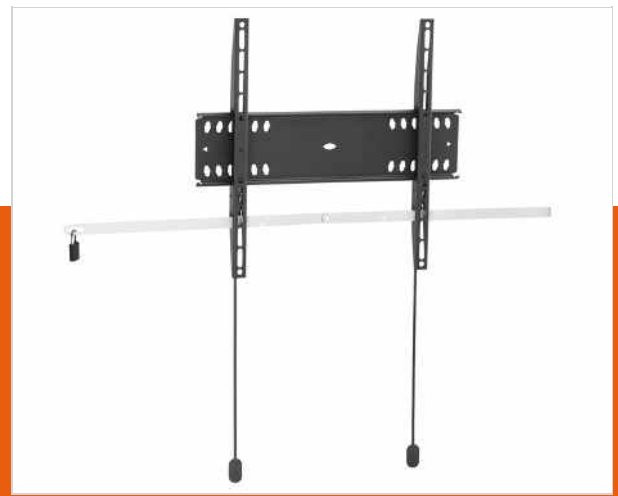

Key Benefits

- Theft prevention
- TÜV certified
- Stylish design
- Easy to install

The PFW 4500 locking fixed wall mount helps protect large flat panel displays in public areas against theft. The PFW 4000 series is designed for public areas that cannot be continuously supervised. The Vogel's Autolock® mechanism securely locks the display in place, and the slim design creates a clean, elegant look. The PFW 4500 is suitable for 42 to 55 inch displays weighing up to 50 kg.

Vogel's Professional products are designed for quick and easy installation. The PFW 4500 wall mount features a unique wall plate that allows installers to very precisely compensate for drilling tolerances to ensure level mounting. Mounting hardware is included.

All products in the 4000 series feature Vogel's Autolock® for easy installation and maximum security. A solid security bar and padlock provide theft prevention while still allowing easy access to the display for servicing. All Vogel's products are TÜV5 certified for maximum safety.
