Whiteboard Set for 75"

This RISE A227 Whiteboard Set 75" is custom made for the Vogel's RISE motorized display lift trolley or floor stand. With this accessory, you can mount a whiteboard to the left and right of a 75-inch display. Added counterweights ensure a safe installation and use. The enamel steel boards feature hinges developed by Vogel's. As a result, the whiteboards do not spontaneously open, even after frequent use. Easy to install. The adjustable hinges on this accessory set allow you to vary the depth, height and width so that the whiteboards always fit the display, whatever display you are using.
