Now you can watch a TV that's placed high on a wall with ease thanks to the WALL 1215 LED/LCD/Plasma wall mount. Perfect way to mount your flat screen TV above viewing height on the wall in your bedroom, living room, children's room and kitchen. This wall mount tilts your screen 15 degrees forward for comfortable viewing. This mount is part of the Vogel's TILT products.

WALL 1215 LED/LCD/Plasma wall mount

mm/inch

Mount your LED/LCD/Plasma TV on the most cluttered wall in your bedroom and enjoy your favourite shows. Limited space in your living room? Mount your TV high on the wall so the whole family has a great view and the TV is safely out of the way. Or give your children extra entertainment that's safely out of their reach in their bedroom. Ideal way to mount a TV above a kitchen counter or cupboard. Or mount it above a fireplace in your living room to enjoy your favourite shows. The mount tilts forward without interfering with cables. It comes in black and is suitable for screen sizes of 26 to 42 inch (66 to 107 cm). It provides sturdy and secure support for up to 70 kg (154 lbs).
