Even the biggest flat screen TV can be placed securely above viewing height with the WALL 1315 LED/LCD/Plasma wall mount. Ideal solution for mounting your flat screen TV in your living room, home cinema and bedroom. This wall mount tilts your screen 15 degrees forward for comfortable viewing. This mount is part of the Vogel's TILT products.

WALL 1315 LED/LCD/Plasma wall mount

mm/inch

Running out of wall space in your living room? Mount your LED/LCD/Plasma TV above viewing height and tilt it forward for easy viewing. Or mount it above a cupboard in your bedroom or above a fireplace in your living room to enjoy your favourite shows. The perfect finishing way to add the big screen experience to your home cinema room. The mount tilts forward without interfering with cables. It comes in black and is suitable for screen sizes of 32 to 55 inch (81 to 140 cm). This rugged mount provides sturdy and secure support for up to 70 kg (154 lbs).
