

TV holder ceiling art116

The minimalist design of art116 provides a maximum degree of functionality. With this holder it is possible to pull the TV into the room, to swivel it into the desired position and tilt it. The anchoring pivotal column also serves to conceal the cable management. For TV screens from 40" to 70". (up to 45 kg)

Dimensions

- total height: available in 50 cm (19,7") lengths to adapt to any ceiling height
- recommendation: center of TV screen approx. 100 cm or 39,4" (from floor)
- linear movement 70 cm (27,5")

Material

- painted steel with fine textured finish, in matt black, white or aluminum silver
- column in stainless steel available

Options

- linear movement up to 150, 220 or 290 cm
- vertical column for 360° in stainless steel
- additional RAL colors
- holder for Sound Bar or center speaker
